

Festive Ideas 2011 – Workshop Programme

Workshop 1: Decorate A Shopping Bag

Discover a quick, easy and cost-effective way to transfer photos and writing onto fabric. Combine it with fabric painting and non-sewing appliqué to personalize your own canvas shopping bag.

Workshop 2: Rediscover Papier-Mâché

In this class we focus on two contemporary Papier-Mâché techniques with which you can recycle all those old newspapers. Each person will make a beautiful bowl and a cute birdie that they can take home.

Workshop 3: Create Decorative 3D Tiles

We show you how to decorate ceramic tiles with different three-dimensional effects to create gorgeous functional items such as pot stands, wall decorations, soap dishes or spoon rests.
